Howdy,

We're delighted that you're considering sponsoring Texas Linux Fest 2019. We've been having Texas Linux Fest for over 9 years and are delighted how it has grown into a gem on Linux conference calendar. This year we are expanding our reach by having the conference at the Irving Convention Center near Dallas.

We are continuing with our successful formula of having a weekday session with workshops (Friday May 31st) and then a weekend day with four tracks of speakers (Saturday June 1st). Both days we're planning to have an event space full of vendors and community partners positioned right outside the program rooms. Providing a highly visible place for sponsors to interact with attendees.

If you decide to sponsor you'd be joining the ranks of organizations that have previously sponsored TXLF like: Linux Academy, Red Hat, cPanel, Datadog, Linode, Rackspace, Google, Gitlab, HP and many others.

Texas Linux Fest 2018 had about 500 attendees and we're expecting the same number of attendees this year.

As a community run conference we are thankful to all our sponsors to ensure that we continue to keep Texas Linux Fest available at a reasonable cost to the entire Linux community. Continuing to bring new voices into the community makes it stronger and by sponsoring TXLF you can help make that happen.

Thank you,

Texas Linux Fest 2019 Staff

Sponsorship Information

Texas Linux Fest is a community organized event that is designed to bring together Linux experts, enthusiasts and interested parties. To do that at a price that everyone can participate we need sponsors like you to help out. Help to build an amazing Linux community in Texas, and get some special perks at the conference as well!

Diamond *(only one available)*   **$8,000**

The Diamond Sponsorship package provides your organization with top level visibility at the Texas Linux Fest. This exclusive package will demonstrate your organization's leadership role in the Linux and open-source community.

The diamond level includes a two (2) page color ad in the conference program, mention in press releases, prominent logo placement on website and in conference signs, triple table for a booth, a full day vendor tutorial slot, first logo listing on conference website, first choice on booth location, and the first opportunity to host a conference reception.

Platinum   **$6,500**

The Platinum Sponsorship package allows your organization to participate in high profile marketing opportunities at the Texas Linux Fest. It includes a full page color ad in the conference program, mention in press releases, prominent logo placement on website and in conference signs, triple table booth space, as well as a full day vendor tutorial slot.

Platinum sponsors will also receive an additional tote bag insert.

Gold   **$5,000**

The Gold sponsorship includes a half-page program ad, logo placement on website, a double table exhibit booth space, and a half-day vendor tutorial slot. Gold sponsors are also allowed one tote-bag insert.

Silver   **$2,500**

The Silver sponsorship includes a quarter-page program ad, logo placement on website, and table for a booth.

Community Exhibitor   *(please contact for pricing)*

The Community Exhibitor sponsorship includes a table for a booth. This package is only for non-profits and approved community organizations wishing to support TXLF.

Tote Bag Insert $500

Include a single item in the tote bag received by each attendee. This can also be added to any existing sponsorship for additional tote bag inserts.

Track Sponsorship $1,000

The Speaker track sponsorships allows you to sponsor one of the presentation rooms at Texas Linux Fest. Your logo will be placed on any signs related to the track. Additionally, prior to each presentation in your sponsored track, a short announcement will be read about your organization, products or services.
